

CERTIFICATE OF COMPLETION

We hereby certify that:

Reyzan Muhammad Hafizh

has successfully completed the hybrid, micro-credential program
Bootcamp UI/UX Design Youth Employment Program
by **Startup Campus** and **Yayasan Cinta Anak Bangsa**.
held on **14th July - 31st October 2025**.

Jakarta, 3rd November 2025

A handwritten signature in black ink, appearing to read "Maryati".

Maryati

Chief Executive Officer
Startup Campus

YCAB-6148

STUDENT LEARNING ACHIEVEMENT

Name : Reyzan Muhammad Hafizh
Mentor : Dendy Adi Nirwana

No	Subject/Course	Learning Outcome	Score (0-100)	Score (A-E)	Score Description
1	Introduction to UI/UX	Student is able to comprehend and apply foundational UI/UX principles, research methods, and Figma tooling to create user-centered designs.	91.00	A	Student is proficient in comprehending and applying foundational UI/UX principles, research methodologies, and advanced Figma tooling to consistently create high-quality, user-centered designs.
2	Customer Discovery	Student is able to perform basic customer discovery and ideation processes, defining user profiles and structuring design solutions from concept to wireframe.	90.00	A	Student is proficient in performing comprehensive customer discovery and ideation processes, adeptly defining precise user profiles and structuring viable design solutions from initial concept to detailed wireframe.
3	Product Design	Student is able to design high-fidelity user interfaces, apply effective UX writing principles, and develop basic interactive prototypes for usability testing.	89.00	A	Student is proficient in designing high-fidelity user interfaces, expertly applying effective UX writing principles, and developing functional, interactive prototypes ready for rigorous usability testing.
4	Testing	Student is able to perform and analyze usability tests using relevant metrics, and leverage advanced Figma features, including AI, for design refinement.	88.00	A	Student is proficient in selecting, executing, and analyzing usability tests using relevant metrics, and skillfully leveraging advanced Figma features, including AI, for complex design refinement.
5	UI/UX Design Project	Student is able to integrate visual storytelling and artistic composition to design a final user-centered digital product and present the solution convincingly to stakeholders.	94.00	A	Student is proficient in integrating visual storytelling and artistic composition to design a compelling final user-centered digital product, and presenting the solution convincingly to stakeholders.
Total			90.40	A	

Score Conversion: A: 100 - 80 | B: 79,99 - 70 | C: 69,99 - 60 | D: 59,99 - 50 | E: <49,99
